

Introducing Smart Mirror: Voice Controlled, Motion Activated, Touch Screen.

The DecoGlaze Smart Mirror is compatible with top-rated home automation systems, including Telstra Home, Samsung Smart Things, Control4, Google Assistant and Google Home.

Ideal for bathroom vanities, hallways or entrance foyers, these high-quality, splashproof mirrors are full of exciting, convenient features to improve your lifestyle.

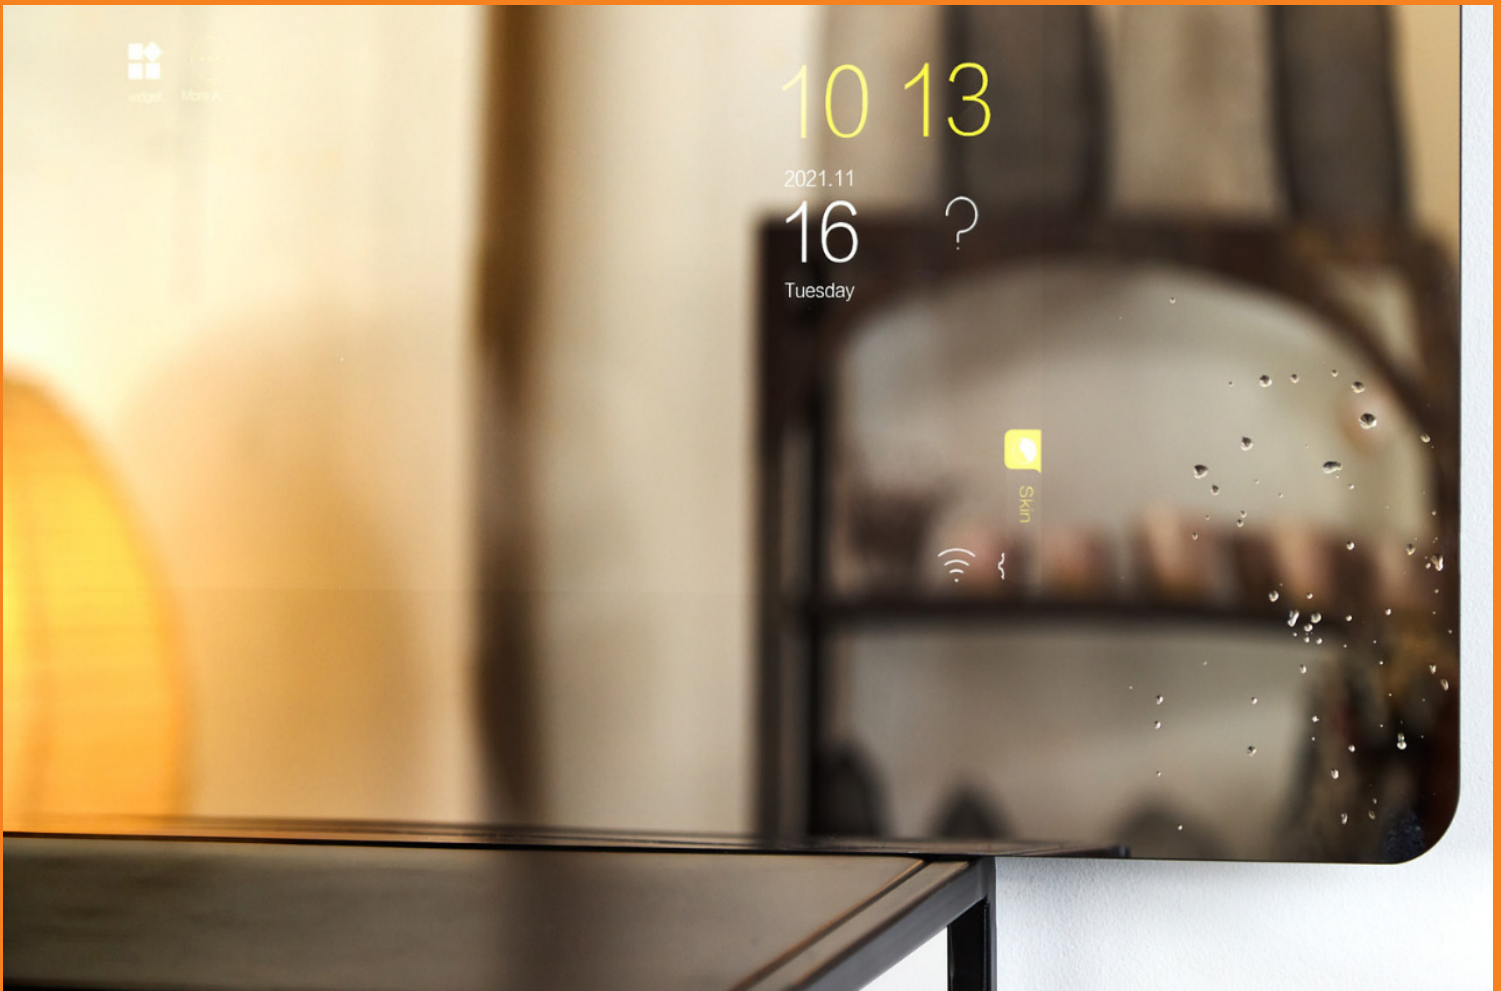

DecoGlazeTM
Glass Solutions

*DecoGlaze has the solution
to your glass needs.*

Key Benefits

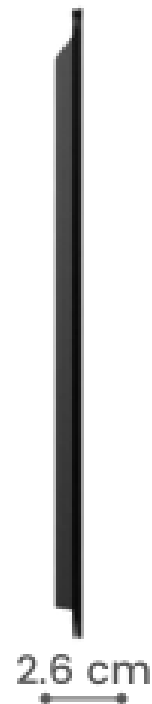

- **Manage your living space** - Use voice commands to operate your Smart Mirror and free up your hands for more important tasks. Effortlessly control lights, speakers, appliances, blinds, locks and sensors when you connect your Smart Mirror to compatible Home Automation Systems.
- **Smart entertainment at your fingertips** - Welcome to a world of multitasking! Check your emails, video chat with friends and family or catch up on your favourite TV shows - without interrupting your morning routine.
- **Conveniently connect** - No time for tangled wires? Simply pair your Smart Mirror with other Bluetooth enabled devices like your phone, headphones or external speakers.

Outstanding protection – Our mirror TVs have an IP65 rating, making them splashproof and providing protection from dust ingress. This means you can safely enjoy our Smart Mirrors in damp environments like your bathroom. Perfect for those hair and makeup video tutorials or checking the weather after your shower or even finding out how far away your Uber driver is. So many convenient applications in one clever mirror.
